Novation Agreement

The ABC Corporation (Transferor), a corporation duly organized and existing under the laws of _____ [insert State] with its principal office in _____ [insert city]; the XYZ Corporation (Transferee), [if appropriate add "formerly known as the EFG Corporation"] a corporation duly organized and existing under the laws of _____ [insert State] with its principal office in _____ [insert city]; and the United States of America (Government) enter into this Agreement as of _____ [insert the date transfer of assets became effective under applicable State law].

(a) The parties agree to the following facts:

(1) The Government, represented by various Contracting Officers of the _____ [insert name(s) of agency(ies)], has entered into certain contracts with the Transferor, namely: _____ [insert contract or purchase order identifications]; [or delete "namely" and insert "as shown in the attached list marked 'Exhibit A' and incorporated in this Agreement by reference. "]. The term "the contracts," as used in this Agreement, means the above contracts and purchase orders and all other contracts and purchase orders, including all modifications, made between the Government and the Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these contracts and purchase orders). Included in the term "the contracts" are also all modifications made under the terms and conditions of these contracts and purchase orders between the Government and the Transferee, on or after the effective date of this Agreement.

(2) As of _____, 20____, the Transferor has transferred to the Transferee all the assets of the Transferor by virtue of a _____ [insert term descriptive of the legal transaction involved] between the Transferor and the Transferee.

(3) The Transferee has acquired all the assets of the Transferor by virtue of the above transfer.

(4) The Transferee has assumed all obligations and liabilities of the Transferor under the contracts by virtue of the above transfer.

(5) The Transferee is in a position to fully perform all obligations that may exist under the contracts.

(6) It is consistent with the Government's interest to recognize the Transferee as the successor party to the contracts.

(7) Evidence of the above transfer has been filed with the Government. [When a change of name is also involved; e.g., a prior or concurrent change of the Transferee's name, an appropriate statement shall be inserted (see example in paragraph (8) of this Agreement)].

(8) A certificate dated _____, 20____, signed by the Secretary of State of _____ [insert State], to the effect that the corporate name of EFG Corporation was changed to XYZ Corporation on _____, 20____, has been filed with the Government.

(b) In consideration of these facts, the parties agree that by this Agreement-

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the contracts.

(2) The Transferee agrees to be bound by and to perform each contract in accordance with the conditions contained in the contracts. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the contracts as if the Transferee were the original party to the contracts.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contracts, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the contracts. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the contracts as if the Transferee were the original party to the contracts. Following the effective date of this Agreement, the term "Contractor," as used in the contracts, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor,

and all other previous actions taken by the Government under the contracts, shall be considered to have discharged those parts of the Government's obligations under the contracts. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the contracts, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contracts.

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee-

(i) Assumes under this Agreement; or

(ii) May undertake in the future should these contracts be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(9) The contracts shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.

All,

Please find the updated OPO Lease Issues List attached. We all left the meetings feeling very good about the amount of progress that was made last week and the Issues List reflects this. There are a number of items that require follow-up (which are highlighted), but the big decisions have been made.

As discussed, Jason plans to turn the lease to you by the end of this week. Additionally, we look forward to receiving your turn of the Work Agreement by the end of the week. While we have closed the vast majority of the issues, please pay particular attention to the outstanding action items noted as next steps. We would appreciate any comments that you have (or response to Next Steps) as early as possible as we will then be able to better incorporate into Jason's draft this week.

Please let us know if you have any questions.

Best,

Good afternoon Kevin, Brett, Tim & (b) (6)

I hope all is well, and that you all enjoyed the holiday weekend.

We have reviewed the draft of the Work Agreement and have created a list of items which we would like to discuss with you before we respond with a redraft. The attached list summarizes some of the higher level issues (as well as the process and technical issues related to the work) based on our review of the draft Work Agreement. We would like to schedule a call to discuss the attached, which will expedite our redraft of the Work Agreement. Also, once we agree on the changes and process, we will be able to create the corresponding section of the lease that will govern future work during the lease term.

Thank you.

I am glad (b) (6) were able to resolve the text in Section 1(C). Attached please find a clean and blackline version of the guaranty (marked to show the changes from what Doug sent a short while ago). These changes incorporate the marshalling fix that we proposed earlier that Doug was okay with (subject to Barbara's approval) and the conforming changes.

Please let us know if these changes work. Thank you.

Tim,

Good afternoon. Pursuant to Section 37.1 of the Lease, attached please find a Lease table of contents marked for redaction. The yellow highlighted items represent items that we believe should be redacted. Please note that we may not redact the yellow sections in their entirety, as there will be some standard sentences within these sections that we will leave in. Once you have reviewed the attached, please provide your thoughts.

Given that it is time intensive to prepare a fully redacted version of the Lease, we suggest that after we receive your approval of the attached marked table of contents, that we then prepare a fully redacted version of the Lease. Please advise if you agree.

Please note: the definitions section is marked in green to serve as a reminder that the definitions that correspond to the redacted sections will be deleted.

Thank you.

In your response, please include Paula DeMuth on the email because I'll be out of the office tomorrow and Monday. Paula will send the list to USPS and also try to set up a meeting early next.

It would be helpful if you could provide us with the list by mid-day tomorrow.

Tim and (b) (6)

Good evening. Since you are currently drafting the Lease we wanted to provide you with a couple of clean up comments that you could include in the draft that you are preparing. Please note most of these changes are made to conform to the Work Agreement or to address the concerns Barbara raised on the prior call.

1. All references to "Substantial Completion (Tenant's Work)" shall be revised to "Substantial Completion (Project)".
2. All references to "Tenant's Work" shall be revised to "Project".
3. The clarifying changes (in bold) should be inserted:
"Opening Date" shall mean the date on which (a) the following areas of the Premises are complete, fully functional, not subject to interference from construction, and opened for public guest occupancy so as to enable Tenant to operate **the following applicable portions of** the Hotel consistent with the Initial Hotel Standard: (i) all of the guest rooms, (ii) all of the common areas, (iii) all of the restaurants and (iv) the health club and spa; and (b) all pre-opening installations, including all mechanical systems, in each case, as required to furnish and operate **the applicable portions of** the Hotel consistent with the Initial Hotel Standard, are complete. Notwithstanding the foregoing, Tenant shall be permitted to (i) open and operate the Hotel and the Premises upon Substantial Completion (Project) and (ii) have a Soft Opening Period following such opening and commencement of operations prior to the Opening Date.
4. Per Barbara's request on a previous call, the following last sentence of Section 37.5 can be deleted: ~~This Lease shall not be amended, altered, modified or rescinded, or (except in accordance with the provisions contained in Article 18 following Tenant's default) terminated prior to the expiration of the Term, without the prior written consent of the Leasehold Mortgagee.~~ Instead, we believe the following insertion to Article 18 also addresses Barbara's request regarding the binding nature upon the Tenant of such amendment:

Section 18.16 – Consent

-

Tenant shall not without obtaining the prior written consent of any Leasehold Mortgagee (and Mezzanine Lender), (i) enter into any agreement amending, modifying or terminating the Lease in any material respect, other than pursuant to the terms of the Lease, and (ii) any such amendment without the prior written consent of Leasehold Mortgagee or Mezzanine Lender, shall not be binding upon such Leasehold Mortgagee or Mezzanine Lender, as applicable.

5. In Exhibit O, the following can be deleted along with the related footnote, "accompanied by your written instructions on the enclosed form", as this language is unnecessary and is related to a different transaction in which this form letter of credit was used.

Please note that these comments are in addition to the changes sent to you on April 8th (Schedule D) and April 10th (Applicable Laws).

Thank you.

Barbara and Tim,

Good afternoon. Attached please find a fully redacted Lease for your review. We have taken another attempt to thin out our Lease redactions in order to be responsive to Tim's initial comment. In addition, we thought it would be helpful to provide the attached redaction to the full Lease, rather than to the table of contents.

Please advise as to your comments or if you would like to discuss.

Thank you.

Thank you for checking with your lender. I can tell that you and Jason tried to keep the number of changes to a minimum, and I appreciate the efforts. I will need to discuss the proposed changes with Kevin before I can affirmatively state that they are acceptable.

The insert below regarding the Federal Assignment of Claims Act came from Lender's local counsel. We just asked Lender to obtain an explanation of this request from its local counsel, and once received, I will give you a call to pass this information along.

Otherwise, are you ok with the Statement of Lease and Second Amendment documents that we provided?

Tim,

Good afternoon. We just spoke with the title company, which advised that they will need to review a copy of our draft Lease in order to issue the title policy. Please confirm you have no objection to me sharing the current lease draft with them.

In addition, the title company requires a document that evidences the authority of the GSA's expected signatory to the Lease. Please provide us with this authority document, which we will pass along to the title company.

Thank you.

Tim,

Good afternoon. We have drafted the attached Third Amendment to the Lease, which mirrors the required Lease revisions provided in the draft USPS License Agreement. Please advise if the attached is acceptable, or if you have any comments.

We are prepared to have the attached executed simultaneously with the USPS License Agreement. This will ensure that there is no ambiguity as to the GSA's revised obligations under the Lease, and this will be a more complete solution than the confirmatory email that we previously discussed.

Have a great weekend.

Thank you.

All,

Good afternoon. It was great to see yesterday's news regarding the submission of the Lease to Congress, and we are looking forward to completing the Work Agreement and the other open items. In connection with our upcoming Work Agreement call, attached please find a document which layers on our comments (in the form of yellow notes) to the blackline that the GSA distributed earlier this week. Rather than send a new blackline, we believe that this attachment which shows both our and the GSA's comments, will serve as a helpful agenda for our call.

Thank you.

Best,

Jason

Barbara and Tim,

Good afternoon. Attached please find clean, changed page, and blackline versions of the Work Agreement, which incorporate the agreed upon items from yesterday's very productive call. We are hopeful that through our joint efforts this document is now nearly final. Please advise as to any further comments.

Thank you.

Good afternoon. Attached please find a clean and changed page version of the Work Agreement. Your revisions to Section 6.4.2 are fine, and we rephrased your insert to Exhibit II, which we believe should provide the clarification that you are seeking.

Please advise as to any further comments.

Thank you.

All:

Attached is a revised draft of the assignment section, together with the relevant definitions. The section has been reorganized as we discussed, and is much easier to follow.

A clean and a blacklined version is attached. Of course the clean version will be easier to read.

I look forward to seeing all of you tomorrow.

Best,

Attached please find the Government's Pre-Construction Authorization for the on-site construction office and construction of a non-permanent mock-up for the hotel suites. Additionally, I sent an email over at the end of last week regarding the Property and Liability Insurance coverage to Andy requesting the Government be named additionally insured on the certificates and to have a copy of the policies sent to my attention for the Government's review and project file. We'll need this in-place prior to the commencement of any construction activity.

Have a great Thanksgiving holiday.
